Introduction:

(name) is one of the most crying need of the third world countries like Bangladesh. Without (name) no nation can march forward. The socio-economic development of the country like Bangladesh depends to a great extend on the success of (Name). In our country the government as well as the non-~~go~~ government organization have been worked to promote standard of (Name).

Description: In a densely populated country like Bangladesh the importance of (Name) is beyond question. The socio-economic development of the country completely depends on the successful operation of the (Name). (Name) is so important a matter that it influences not only social life but also national of the sucessful operation of any kind of development activities is essential to ensure the life of (Name),

Active/~~steps~~/measures taken by the Government: The Government of Bangladesh has taken to different programs/projects/ steps/ measures in different times to promote.....but during the recent years the step taken by the recent years the step taken by the Government should come forward with more effective programs with a view to roach desisted goal.

Active ran by N.G.O Besid : Government efforts a large number of non-government orgainzation are working across the country for the smooth development of the most remarkable fact in that these N.G.O.S. have reached the door of mass people. They are running many long term and short term effective projects raise consciousness among the backward people and we know very that conscious at root level allays a significant Role in the successful implementation of (Name).

Conclusion: Nobody can deny the importance of (Name) is clear to all. So, the government organization must take great concern to promote (Name) at any cost in short, we should have to bear in mind that more time, We will speed in ensuring (Name) The more will be lagging behind. So we have to move for ward with the favorite slogan Now or Never.

✓ Essay (Good Side)

Introduction: (It) is one of the most valuable and powerful elements of success in life. It is an admirable quality in life. Man can not continue to do things properly without this quality. It is the node of leading life in according with rules. It also inspire us in judging different opinions and things with for bearance without being emotional.

Its influence: Man in a social being. He can not live alone. So he wants to companion in happiness and sorrow. He cannot do whatever he likes. He has to abide by some rules to get peace in life.

It's necessity: (It) is necessary in every walk of life. It is the key to success in life. Without this chaos will prevail everywhere. Everything's has two sides. One side is its internal and other side is it's the external. Generally internal side is better than that of external. The inside of any thing may be called the virtue.

It's Importance: (It) is one of the best virtue of mankind. Man becomes unhappy and helpless without it. Actually, It is more valuable than money. It is most precious possession of a man. If we find the noble and famous persons in the world who have brought glory to their lives, we will discover that their happiness depends on it.

Conclusion: (It) is a precious treasure without (it) life is like a ship without a rudder. It is a way to cheek the erring, a brake to control the thoughtless action of man. Its purpose is not to crush and kill individual livery but to see that livery does not degenerate into license. It should be enforced in early life. Home is the best place for teaching this virtue.
